

EL-900VLB

600TVL Outdoor Full Size IR Bullet Camera

The innovative EL-900VLB is a vandal-proof camera that represents a new level of surveillance. It comes equipped with a 30' PIR motion sensor that will flood the visual area with white light from 32 LEDs, capturing an intruder in the act. The white light also acts as a deterrent, driving unwanted individuals from the area. With a 600TVL sensor and vandal-proof construction, this camera is perfect for high crime areas where sturdy cameras and detailed footage are of the highest importance.
