

600TVL 1/3" Sony High Res Low Light CCD Bullet Camera

Affordable, yet feature rich IR bullet camera. The ICR611WDR is an affordably priced camera that offers features typically seen on only the most high-end cameras.

The camera itself is a 3.6mm fixed lens, with a high resolution Sony CCD imager that produces a crisp 600TVL image. It's equipped with 24 IR LEDs, enabling 65' of viewing during 0 light.

Configuring the camera is a breeze, with its built in OSD and quick setup joystick. Make exposure changes rapidly during setup, and configure powerful options such as BLC and WDR right at the point of install.
