

ICR-PEEKER

600 TVL Indoor, Covert Single Gang Box Camera

The ultimate camera for front doors, entries, or wherever a low-profile wall camera is required. The ICR-PEEKER is a high-resolution mini camera fitted into a wall plate that goes neatly over standard, single-gang electrical junction boxes. The camera outputs a high-resolution 600TVL image, and makes a great fit anywhere you need a wall-mounted camera. The fixed 1.5mm lens ensures a super wide viewing angle, which captures great detail from objects that are in the field of view. The camera has an adjustable mounting angle for the very best surveillance picture.

Features

- 1/4" Sony Super HAD II Color CCD
- 1.5mm wide-angle lens
- 600TVL
- Adjustable mounting angle
- Fits over a standard single-gang electrical box

ICR-PEEKER
