

1 Megapixel Villa Outdoor Station

The IHC6310/IHC66311 work direct with our IH-D7210 indoor monitor for a complete IP based Video Intercom System. The camera is equipped with a 1.3 Mega Pixel CMOS chipset, bright white light for illumination at night and a crystal clear two-way audio microphone plus speaker. A easy setup solution to provide total home security.

Guides on how to install this product can be found in our technical forum

This camera requires the use of IH-D7210 or IH-D7310 to function as intended.
