

IC HOME

Singer 2

Wireless Indoor Chime

The **Singer 2** is the perfect indoor chime for the **Dinger Pro 2** video doorbell. It alerts you inside when someone rings outside and can be linked to multiple Dinger Pro 2 units. Customize your chime sounds with the **IC View Pro** app and never miss a visitor—no matter where you are in your home.

Stay Connected To What Matters.

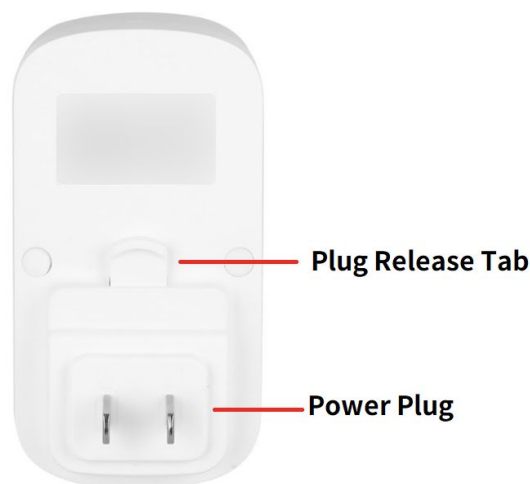

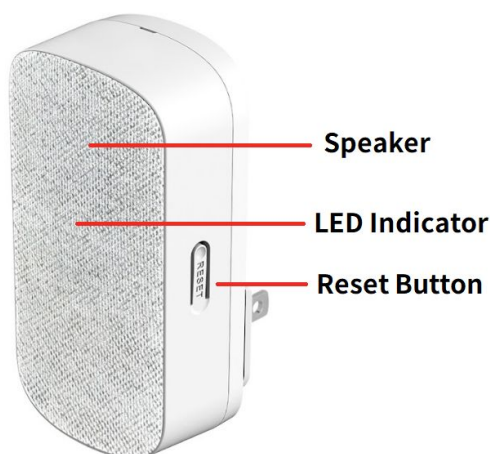

The Singer 2 integrates seamlessly with IC Realtime's IC View Pro app, enabling unified access to both IC Home and IC Realtime core surveillance products within a single platform.

Through IC View Pro's Cloud service, your video is securely stored off-site with advanced encryption, offering up to 365 days of retention. Reviewing past alerts and historical footage is straightforward and efficient, thanks to the app's intuitive interface and robust playback capabilities.
